

CONSERVATION EASEMENT

ASKARI MINI_WAREHOUSES

STATE OF FLORIDA:

COUNTY OF LEON:

THIS CONSERVATION EASEMENT is hereby made and entered into on this _____ day of 8, 4, 00, 2000 by and between Mike Askari _____, whose mailing address is 2707B Killarney Way Tallahassee, Florida 32308 hereinafter referred to as the "Grantor," and LEON COUNTY, FLORIDA, a political subdivision of the State of Florida, whose mailing address is 301 South Monroe Street, Tallahassee, Florida 32301, hereinafter referred to as the "Grantee."

WITNESSETH:

For and in consideration of the mutual promises and other good and valuable consideration as set forth herein, the receipt and sufficiency of which is hereby acknowledged, the Grantor does hereby grant to the Grantee, its successors and assigns, a perpetual Conservation Easement in accordance with Section 704.06, Florida Statutes, over and across the real property more particularly described on Exhibit "A", which is attached hereto and expressly incorporated herein, on the terms and conditions hereinafter set forth:

The following activities are prohibited within this easement, pursuant to Section 704.06, Florida Statutes:

1. Construction or placing of buildings, roads, signs, billboards or other advertising, utilities, or other structures above or on the ground.
2. Dumping or placing of soil or other substance or material as landfill, or dumping or

placing of trash, waste, or unsightly or offensive materials. This clause is not intended to prevent the use of best management practices for sediment and erosion control or to prohibit the use of mulch.

3. Removal or destruction of trees, shrubs, or other vegetation. This clause is not intended to prohibit the removal of invasive species and minor trimming for maintenance.

4. Excavation, dredging, or removal of loam, peat, gravel, soil, rock, or other material substance in such matter as to affect the surface.

5. Surface use except for purposes that permit the land or water area to remain predominately in its natural condition.

6. Activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife conservation habitat preservation.

7. Acts or uses detrimental to such retention of land or water areas.

8. Acts or uses detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archeological, or cultural significance.

It is understood that the granting of this easement entitles the Grantee to enter the above-described land in a reasonable manner and at reasonable times with reasonable prior written notice to assure compliance with the conditions of this easement.

Grantor hereby fully warrants the title to said real property and will defend the same against the lawful claims of all persons whomsoever claimed by, through or under it, that it has good rights and lawful authority to grant this easement and that the same is unencumbered. Where the context of this easement requires, allows or permits, the same shall include the successors or assigns of the parties.

The easement granted hereby shall run with the land and shall enure to the benefit of the Grantee and its successors and assigns.

IN WITNESS WHEREOF, Grantor has caused these covenants to be executed and its seal to be affixed hereto on the day and year first above written.
